

# Family Matters Magazine Subscribers

## Subscribers and Multi-Subscribers

Reach men and women who subscribe to Family Matters related magazines. Our avid readers like to receive the newest issues in their mailboxes as they turn to their favorite magazines to catch up on the latest family related issues.

This unique subscriber list focuses on the individuals and their interests rather than the particular magazine they subscribe to. It is an enhanced collection of subscribers from multiple publishers of family related magazines. We have created this Multi-Sourced list in order to offer brokers and mailers the following advantages:

1. Actual monthly magazine subscriptions and multi-subscribers.
2. Considerable quantities across all categories.
3. Participating sources are deduped one from another.

Our list is gathered and overlaid by one of the larger consumer database owners in the industry. The unlimited possibilities of demographic and psychographic enhancements allow you to select subscribers within your mailer's category and customize the list to fit their target market.

Multiple selects allows your mailer to apply a statistical model and reach a market of like names to their existing customers.
